Reference: Encroaching on Waukesha County Park System Property

Dear Owner:

Waukesha County staff have recently surveyed County owned property along the Fox River that borders your property. According to the survey, a portion of County-owned property is being mowed/maintained which is a violation of the Waukesha County Code of Ordinances Chapter 14, Section 14-169, Encroachments Prohibited.

Carsonite posts were installed on July 14, 2022 to delineate the property boundary and the County respectfully requests ceasing all mowing and encroachment on the County-owned property. As part of general procedures, Park System staff conduct inspections to confirm compliance.

Thank you for your attention to this matter. If you should have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Zach Navin
